Subject: RE: **Ex. 7(A)** Confidentiality Agreement -- status?

Melanie: We had everything signed on our end but then one of our signatories determined that the CA entities were too broadly stated and asked for changes. I understood that the Schnitzer agreement presented the same issue, and that when that one was remedied, we would make the same changes to this one **Ex. 7(A)** and circulate for new signatures.

Aron,

We met with Suma Peesapati yesterday and she was asking about the status of the confidentiality agreements, so I am checking in with you on status of getting the **Ex. 7(A)** agreement signed.

Have a nice weekend.

Melanie

Subject: **Ex. 7A** Confidentiality Agreement -- o.k. with changes

Aron,

Apologies for not being able to turn this around right away. Thank you for your patience. U.S. DOJ accepted the changes that you made to the **Ex. 7(A)** agreement. I have attached a signed copy as a pdf, as well as the word version.

I asked Denise Leong in my office to make the same changes to the Schnitzer agreement, so she should be sending that over separately.

Please send me a fully executed version of the agreement for my files. Thank you.
